## **Diesel engine poker concrete vibrators**

**Keywords:** diesel engine poker concrete vibrators,diesel powered concrete vibrator

Diesel engine poker concrete vibrators also called diesel powered concrete vibrator used in the vibration of various plastic, semidry and dry concrete in the construction and diesel driven flexible shaft planetary poker vibrator is other called.

### **Diesel powered poker concrete vibrators application**

It is suitable for concrete cast-in-site of various bridges, tunnels, building foundation, precast units, beams and columns in remote districts, especially an indispensable tool in various concrete construction sites where there is no electricity or in the condition of power cut.

### **Diesel engine poker concrete vibrators features**

The poker uses double oil-seals with a high sealing performance. The diesel engine features low diesel consumption, easy operation, convenience maintenance, stable running and one engine with multi-unction.
